WORK EXPERIENCE

FRONT END DEVELOPMENT

CodeAlpha

Virtual Internship

June 2024 - July 2024

Developed responsive front-end projects using HTML, CSS, and JavaScript, focusing on enhancing user interface design and functionality to improve overall user experience.

PROJECTS

Spotify Clone

June 2024

A responsive and interactive Spotify clone using HTML, CSS, and JavaScript, solely focusing on front-end technologies. Users can play songs seamlessly within the interface. Demonstrates proficiency in front-end development and interactivity.

Personal Portfolio

<https://uday-2611.github.io/MyPortfolio/>

June 2024

Designed and developed a sophisticated personal portfolio website using HTML, CSS, and JavaScript, showcasing proficiency in front-end development. Implemented responsive design principles to ensure optimal viewing experience across various devices, enhancing accessibility and user engagement.
